RESULT OF OPERATIONS—*Continued*

In arriving at the operating results of the General Revenue Fund, revenues are reported on a cash basis, being the actual receipts in cash within the fiscal period whereas expenditures include liabilities incurred but not paid at the end of the fiscal year. In other words, revenues exclude acounts receivable but expenditures include accounts payable.

The operating results shown above are subject to the undernoted qualifications:

(a) As at March 31, 1952, unmatured debentures aggregating $99,600.00 had not been surrendered for exchange under provisions of the 1945 Debt Reorganization Programme. Interest thereon has been charged to expenditure at the rates provided by the Programme. No interest has been provided subsequent to June 1, 1945 in respect of matured debentures. As at March 31, 1952, matured debentures aggregating $28,408.80 had not been surrendered for redemption under the 1945 Debt Reorganization Programme.

(b) Under provisions of Chapter 69, Statutes of Alberta, 1951, an Act to amend the Public Service Pension Act, the pension fund as such has been discontinued. Contributions from employees, being 5% of gross salaries, are credited as revenue to the General Revenue Fund of the Province and payments required under the Act are made through appropriations therefrom. The payment of all benefits under the Act is guaranteed by the Government of the Province of Alberta. The pension plan has therefore been placed on a current cost basis and no liability is shown on the attached balance sheet in respect of present or future benefits payable under the Act.

*Alberta Government Telephones*:

Operating results of the Alberta Government Telephones are summarized below. The financial position of the utility is dealt with in the certificate to the balance sheet (Statement No. 126).

Contribution from employers, being 5% of gross salaries, are credited as revenue to the General Revenue Fund of the Province and payments required under the Act are made through appropriations therefrom. The payment of all benefits under the Act is guaranteed by the Government of the Province of Alberta. The pension plan has therefore been placed on a current cost basis and no liability is shown on the attached balance sheet in respect of present or future benefits payable under the Act.

Treasury branch depositors' acounts, excluding Province of Alberta revenue and trust deposits, amounting to $34,895,779.57 now shown with trust acounts, are offset by amounts held in trust account in the Imperial Bank of Canada, cash on hand at Treasury Branches or in transit, Government of Canada debentures, and loans and advances.

All expenditures for administration and maintenance of Treasury Branches have been charged to the General Revenue Fund of the Province, with the exception of $480,738.68 representing consumers' bonuses for the period February, 1941, to April 25, 1945 inclusive, from which date payment of bonuses was discontinued. This liability may be financed from the Reserve for Contingencies, amounting to $492,000.00.

Edmonton, Alberta, April 25, 1952.

I have audited the books and records relating to the Special Investment Fund established under provisions of Section 30 of Chapter 18, R.S.A. 1942, The Treasury Department Act, for the year ended March 31, 1952.

Result of operations of the fund for the period is as follows:

| | |
|---|---|
| Net revenue from interest received, less amortization of premium and discount | $1,626,242.28 |
| Add: Interest accrued March 31, 1952, less accrued amortization | 269,171.01 |
| | $1,895,413.29 |
| Deduct: Interest accrued March 31, 1951, less accrued amortization | 251,519.34 |
| | $1,643,893.95 |
| Add: Net profit on redemption of securities | 600.00 |
| | $1,644,493.95 |

Following the practice with respect to Provincial revenues, only earnings and profits actually received have been taken into general revenue account, but in order to show the earnings of the fund on an accrual basis the above summary has been prepared.

I certify that, in my opinion, the above statement correctly summarizes all transactions relating to the Special Investment Fund for the year ended March 31, 1952, and states the securities on hand at that date.

*Provincial Auditor.*

Edmonton, Alberta, March 25, 1952.

I have audited the books and records of The Workmmen's Compensation Board for the year ended December 31, 1951.

RESULT OF OPERATIONS

Operations for the year under review resulted in provisional surpluses of $627,357.42 in respect of 1951 and $862,158.84 in respect of 1950 and prior years, details of which are shown on Statements No. 41 and No. 42 respectively. The provisional surpluses have been consolidated on Statement No. 40 and carried to operating reserve as shown on Statement No. 39.

In arriving at the operating results in respect of Class 13-2, the fiscal year of which, for the Board's purposes, is the first of November to the following thirty-first of October, assessment revenue applicable to the twelve month period ending October 31, 1952, and all expenditure during the months of November and December, 1951, have been deferred to the next fiscal period; and revenue of 1950 applicable to the twelve month period ending October 31, 1951, and all expenditures during November ond December, 1950, deferred as at December 31, 1950, have been brought into account in order to show all transactions in their respective periods.

Assessment revenue shown on Statement No. 41 is based on actual payrolls for 1951, so far as they are known to the Board. Minor adjustments may be necessary when all information is available and payroll audits completed.

Rebates to employers who entered into arrangements, approved by the Board, for furnishing medical aid to employees amounted to $30,499.50 and were charged against assessment revenue.

STATEMENT No. 38—*Continued*

Payments for medical services in respect of accidents of 1943 and prior years, amounting to $16,410.80, have been charged to the reserve for rehabilitation.

During the year under review provision for silicosis has been charged only to those classes that have experienced silicosis as an industrial disease.

ASSETS

*Assessments receivable, less reserve*

Assessments receivable have been adjusted to include assessments based on actual payrolls, so far as they are known to the Board. During the year under review accounts totalling $10,189.44 were written off as uncollectible. Recoveries in respect of accounts written off amounted to $2,469.32.

*Advances to employees secured by chattel mortgages*

Advances to employees secured by chattel mortgages amount to $9,005.10. Repayments have been made as required.

LIABILITIES AND RESERVES

*Deferred income, net*

Assessments levied in respect of Class 13-2, being for the twelve month period ending October 31, 1952, have been deferred in full until the next fiscal year. Likewise, all expenditure during November and December, 1951, regardless of year of occurrence of accident, has been deferred. The net revenue, $434,848.92, is shown on the above balance sheet under the above caption.

*Estimated merit rebates*

Merit credits to be allowed in respect of the year 1951 could not be determined prior to the closing of the Board's accounts, but provision, in the amount of $443,360.00, has been made as an estimate of requirements.

*Claims pending and unfinalled claims*

The liability in respect of the above is an estimate, based on opinion of medical and administrative officials of the Board and the experience of certain previous years, of the amount required to meet all costs in respect of claims pending and unfinalled claims with the exception of claims arising from silicosis and those in respect of self-insurers' employees.

STATEMENT No. 38—*Continued*

*Silicosis*

The liability in respect of the above is an estimate by officials of the Board of the amount required to meet all costs in respect of claims pending and unfinalled claims arising from silicosis.

*Pensions*

An evaluation of the Board's liability with respect to pensions was made as at December 31, 1948, by officials of the Board. Based on the assumption that interest earnings would be maintained at the required capitalization rate of 3% the amount provided by the Board in respect of the pension liability as at that date was sufficient to meet requirements.

Interest earnings for the year under review were sufficient to meet actuarial requirements.

*Reserve for rehabilitation*

Under authority of the Act the reserve was increased by a transfer from reserve—Section 33-(1),(n) of $359,976.66 being the balance of that reserve in excess of $100,000.00 as at December 31, 1951.

As stated elsewhere in this report payments for medical services in respect of accidents of 1943 and prior years have been charged to the reserve following the transfer, as at December 31, 1948, of the amount standing to the credit of the reserve for medical aid to the reserve for rehabilitation.

Expenditures during the year with respect to the construction of and equipment for the rehabilitation centre amounting to $449,008.96, were charged to the reserve. These assets are not reflected on the above balance sheet.

*Reserve for disasters*

There is no basis upon which an opinion could be formed as to the adequacy of the reserve.

*Reserve—Section* 33-(1),(n)

Under Section 33-(1),(n) of the Act, the reserve is provided to cover such portion of the cost of claims of workmen suffering enhanced disabilities as is, in the opinion of the Board, due to similar or other disabilities previously suffered. The balance of the reserve in excess of $100,000.00 as at December 31, 1951, $359,976.66, has been transferred to the reserve for rehabilitation as stated elsewhere in this report.

*Reserve—Section* 33-(1),(k), (1943 *Act*)

The reserve, which under Section 44-(8) of the 1948 Act is to be transferred to the Accident Fund, is presently being held to provide for adjustments required with respect to pensions suspended during the war years and paid into the reserve under Section 33-(1),(1), of the 1943 Act.

*Operating Reserve*

The reserve represents the balance at credit of classes after provision for reserves as shown on Statement No. 39.

GENERAL

Subject to the foregoing report, I certify that, in my opinion, the above balance sheet is properly drawn up so as to show the true financial position of The Workmen's Compensation Board as at December 31, 1951, according to information and explanations given to me and as shown by the books of the Board, and the accompanying statements of revenue and expenditure correctly set forth the result of operations for the year ended at that date.

Unsold lands valued by the Colonization Manager at approximately $4,300.00 are not included on the Balance Sheet.

The rate was comprised of $1.25 per acre charged by the Taber Irrigation District for maintenance and operation of the new area and 25c per acre by the St. Mary and Milk Rivers Development for water supplied.

Agreements with the Raymond Irrigation District and the Magrath Irrigation District as assigned to the Province upon formation of the St. Mary and Milk Rivers Development provide for annual water rentals of $11,033.25 and $4,582.70, respectively. In 1951 the rentals were charged on a basis of 50c per acre without amendment to the existing agreements.

BALANCE SHEET

Investments held in safekeeping at the Treasury Branch, Lethbridge, under joint custody of two officials of the project, were verified by actual examination on December 1, 1951, and are shown at cost less amortization of premium and discount to November 30, 1951. The investments are summarized hereunder:

| | Par Value | Book Value |
|---|---|---|
| Debentures: | | |
| Government of Canada guaranteed | $ 10,000.00 | $ 10,034.83 |

No provision has been made through specific allocation of funds or creation of depreciation reserves for the eventual replacement of irrigation structures.

The irrigation structures and works constructed or under construction by the Province of Alberta have not been reflected on the above Balance Sheet.

STATEMENT No. 95—*Continued*

Edmonton, Alberta, July 23, 1952.

I have audited the books and records of the University of Alberta for the year ended March 31, 1952.

### Operating Results

Operations for the year under review resulted in a surplus of $262,939.66 after providing $8,909.83 from current revenue for expenditure on new buildings and equipment. Details of operations are shown on Statement No. 96 and accompanying schedules.

The surplus for the year was transferred to operating reserve. Transactions within that reserve are set forth in Statement No. 97.

Maintenance and upkeep of buildings used by the Faculty of Education in Edmonton and Calgary has been provided by the Province direct.

### Financial Position

Buildings, plant, furnishings and equipment are stated on the Balance Sheet at original cost. No provision has been made for depreciation, but an independent appraisal completed during the year ended March 31, 1950, indicates that values have been maintained through repairs and renewals, which have been financed from revenue and reserve accounts.

Inventories of merchandise for resale and supplies on hand are certified as to quantities and prices by officials of the University.

Edmonton, Alberta, June 11, 1952.

I have audited the books and records of the Special Areas Board for the year ended December 31, 1951.

Grazing and cultivation rental revenues have been reported on a cash basis. There is an undetermined amount of lease revenue receivable by the Board which is not reflected on the Balance Sheet.

Advances to hospital districts are secured by debentures of the respective districts. The debentures were examined during the year and found in order. As at December 31, 1951, Consort Hospital District No. 22 was in default with respect to debenture coupons aggregating $8,620.37.

The value shown for Pleasantview Home represents the cost of repairs and remodelling only, title to the property is vested in the Province.

Subject to the foregoing, I certify that, in my opinion, the above Balance Sheet is properly drawn up so as to show the true financial position of the Special Areas Board as at December 31, 1951, according to the information and explanations given to me and as shown by the books of the Board, and the accompanying Statement of Revenue and Expenditure correctly sets forth the result of operations for the year ended at that date.

Contingent liability:

The Board has a contingent liability with respect to non-contributory pensions which may be awarded upon employees reaching retirement age.

Edmonton, Alberta, July 28, 1952.

I have audited the books and records of the Alberta Liquor Control Board for the year ended March 31, 1952.

Physical inventories of liquor, beer and containers were taken at March 31, 1952, by officials of the Board. Quantities were certified by respective warehouse and store managers. Cost of transferring stocks from warehouses to stores was not included in the inventory valuation. Inventories included goods on consignment amounting to $356,876.20, the corresponding liability being included with accounts payable in the Balance Sheet.

Subject to the foregoing, I certify that, in my opinion, the above Balance Sheet is properly drawn up so as to show the true financial position of the Alberta Liquor Control Board as at March 31, 1952, according to information and explanations given to me and as shown by the books of the Board, and the accompanying Statement of Profit and Loss correctly sets forth the result of operations for the year ended at that date.

STATEMENT No. 141—*Continued*

Edmonton, Alberta, July 11, 1952.

I have audited the books and records of the Treasury Branches for the year ended March 31, 1952. In connection therewith branch balance sheets as at that date, certified to by branch managers, have been examined and consolidated with Head Office records. Transactions applicable to the year reported after preparation of branch statements are not reflected in the accounts.

Currency on hand and items in transit were certified by branch managers. Balances on deposit with chartered banks were verified by certificates from banks. Securities were examined and found in order.

Loans and advances include loans outstanding as at March 31, 1952, overdrafts in depositors' accounts, bills discounted and items in overdue bills.

Advances considered uncollectible amounting to $19,967.75 were written off against the reserve during the year. No provision has been made for the current period, leaving the reserve for bad and doubtful debts at $95,760.96 as at March 31, 1952. The reserve is considered entirely inadequate for its purpose.

Expenditures of the Treasury Branches for maintenance and operations have been charged to the general revenue fund of the Province, with the exception of an amount of $480,738.68, representing consumers' bonus for the months February, 1941 to April, 1945, inclusive. This amount may be financed from the fund provided for contingent liabilities.

Subject to the foregoing remarks, I certify that, in my opinion, the above Balance Sheet is properly drawn up so as to show the true financial position of the Treasury Branches as at March 31, 1952, according to information and explanations given to me and as shown by the books of the Treasury Branches, and the accompanying Statement of Revenue and Expenditure correctly sets forth the result of operations for the year ended at that date.

I have audited the books and records of Marketing Services Limited for the year ended December 31, 1951.

OPERATIONS

Marketing Services Limited, incorporated under Part III of the Alberta Marketing Act, Chapter 253, R.S.A. 1942, conducted the trading activities of the Provincial Marketing Board for the year ended December 31, 1951.

Activities during the year consisted of the merchandising of implement parts and other commodities and rendering financial assistance under agreements to certain industries within the Province.

STATEMENT No. 165—*Continued*

Edmonton, Alberta, February 28, 1952.

I have audited the books and records of Prairie Woollen Mills Limited for the year ended December 31, 1951.

OPERATIONS

Prairie Woollen Mills Limited, incorporated under Part III of the Alberta Marketing Act, Chapter 253, R.S.A. 1942, has operated a Woollen mill at Magrath, Alberta, under lease agreement with the Provincial Treasurer.

BALANCE SHEET

Accounts receivable from the Provincial Treasurer consist mainly of the expenditures to December 31, 1951, necessary to liquidate the accounts of certain creditors of the Golden Fleece Woollen Mills Limited, a corporation declared bankrupt. The Government of the Province of Alberta has undertaken to fulfil the agreements entered into by Golden Fleece Woollen Mills Limited with customers who had supplied materials for manufacture into blankets.

Inventories of finished goods, goods in process, raw materials and manufacturing supplies on hand at December 31, 1951, are shown on the Balance Sheet at cost or at estimated realizable market values less than cost as determined by officials of the Corporation. The use of the latter basis of valuation results in a reduction from cost of $33,898.57. Prices and quantities are certified by officials of the Corporation.

Plant and equipment shown on the Balance Sheet consists of additions and improvements since August 1, 1949, to the plant and equipment under lease.

Accounts payable to the Treasury Branches represent the balance owing on inventories purchased at the commencement of the lease and the rental charge for the real and personal property as provided in the lease agreement.

Subject to the foregoing, I certify that, in my opinion, the above Balance Sheet is properly drawn up so as to show the true financial position of Prairie Woollen Mills Limited as at December 31, 1951, according to the best of my information and the explanations given to me and as shown by the books of the Corporation, and the accompanying statements correctly set forth the results of operations for the year ended at that date.

STATEMENT No. 184—*Continued*

Edmonton, Alberta, June 26, 1952.

I have audited the books and records of the Petroleum and Natural Gas Conservation Board for the year ended March 31, 1952.

The accumulated surplus as at March 31, 1952, which must be taken into consideration in determining the 1952 levy is made up as follows:

| | | |
|---|---|---|
| Surplus as at April 1, 1951 | | $ 30,602.92 |
| Add: | | |
| Sale of automobiles | $ 10,412.46 | |
| Sale of storehouse, Redwater | 138.89 | |
| | | 10,551.35 |
| | | $ 41,154.27 |
| Deduct: Deficit for the year ended March 31, 1952 | | 26,139.65 |
| Surplus as at March 31, 1952 | | $ 15,014.62 |

The account payable to the Province of Alberta represents the balance of advances by the Province towards the Province's portion of the net expenditures incurred by the Board in the administration of the Oil and Gas Resources Conservation Act, Chap. 46, 1950, as follows:

| | | |
|---|---|---|
| Balance due by Province, April 1, 1951 | | $ 2,217.14 |
| Add: Portion of net expenditures for the year ended March 31, 1952, to be charged to the Province | | 131,431.51 |
| | | $ 133,648.65 |
| Deduct: | | |
| Advances by Province | $ 135,813.26 | |
| Sale of automobiles | 1,501.59 | |
| | | 137,314.85 |
| | | $ 3,666.20 |

The Board under authority of the Oil and Gas Conservation Act took possession of Atlantic No. 3 well. Trust funds held as at March 31, 1952, represent total crude oil sales of $2,818,584.01 plus interest earnings of $13,082.95 out of which payments for the control of the well, amounting to $946,645.95, claim settlements including royalties, amounting to $834,121.86, and advances to Atlantic Oil Company, Limited, have been made, leaving a net balance of $51,299.15. The Board is obligated to account for the net proceeds thereof to persons entitled thereto.

Subject to the foregoing remarks, I certify that, in my opinion, the attached Balance Sheet is properly drawn up so as to show the true financial position of the Petroleum and Natural Gas Conservation Board as at March 31, 1952, according to information and explanations given to me and as shown by the books of the Board, and the accompanying Statement of Revenue and Expenditure correctly sets forth the result of operations for the year ended at that date.
